*IB Coordinator*

July 13, 2009

Dear Students and Parents:

In preparation for the opening of the 2009-2010 school year, we have enclosed the **West Morris Regional High School District Computer Networks and Technology Rules, Terms and Conditions Regarding Student Use of The Computer Network** agreement for your careful review and consideration. These guidelines for uses and responsibilities have been compiled to help provide a computer network environment that will be a reliable asset and resource for each student attending West Morris Mendham High School.

Each student who returns the completed network agreement form will be provided a log-on address for the network that will provide him/her with a personal directory for document storage, and offer access to Microsoft Office, library research resources, subject specific programs, and more. In addition, students will have access to the district's Internet account.

Freshmen and transfer students need to return the form for full access to the network and Internet resources. In order for your individual student accounts to be activated for the opening of the 2009-2010 school year the agreement form must be returned to Mendham High School on or before August 10, 2009.

Please read the enclosed network and Internet agreement form carefully and the Parent/Guardian Consent form. . .

- ◆ Print your name at the top of the signature page form
- ◆ Complete the user signature page
- ◆ Complete the parent/guardian signature section
- ◆ Return completed forms to Mendham High School on or before August 10, 2009
- ◆ Return only the signature page, keep the contract for your records

Form can be dropped off at the High School Main Office or mailed to:

Mr. Gary Woodward, Network Account Manager  
West Morris Mendham High School  
65 East Main Street  
Mendham, New Jersey 07945

Please note that, if you do not return the forms by August 10, 2009 your accounts may not be available for the opening day of school in September.

Thank you for your time and prompt consideration of this matter.

Sincerely,

William C. Carpluk  
Assistant Principal
